Sir Winston Churchill Secondary School

Vancouver, British Columbia, Canada

International Baccalaureate Diploma & B.C. Dogwood Diploma

2016 — 2020

- Academics: Final IB score of 44/45 | Cumulative average of 97% | ACT: 35 | SAT Math II: 800 | SAT II Literature: 800
- Achievements: Awarded the Governor General's Academic Medal for achieving the highest average of the entire graduating class and the Churchill Scholar Shield for being the school's top all-round student

ACTIVITIES

Model United Nations

2015-2020

Delegate, Committee Staff, and Churchill MUN Club Executive

- Represented twelve countries at twelve international UN simulation conferences, each attended by over 500 delegates
- Won five awards, including one Best Delegate, in recognition of quality of research, consensus-building skills, crisis response effectiveness, and ability to accurately represent a nation's interests
- Supervised debate and provided advice to committees of 15 to 50 delegates as a staff member at three further conferences
- Wrote three, 25-page, fully-cited background guides on issues of international security in preparation for staff positions
- Increased Churchill MUN Club membership 75% by planning and carrying out engaging weekly after-school lessons

Churchill Student Council

2018-2020

Treasurer

- Collected, hand-counted & deposited over \$10,000 worth of donations for the Canley Cup food drive
- Sold 600 dance tickets by distributing them to 25 student council members and establishing an internal competition
- Communicated with the SPC Company to purchase and resell \$2,000 worth of Student Price Cards at a profit
- Developed unambiguous, space-saving Excel template for tracking item sales, for use by future Student Councils
- Planned half-day Spring Carnival for 2,000 students — placed stage and equipment rentals, kept track of out-of-pocket expenses of all student council members towards carnival items and arranged for full reimbursement

Big Bang Science Journal

2016-2019

Editor-in-Chief

- Recruited and trained a team of 28 columnists, artists, and executives for student-run popular science magazine
- Communicated through email and Slack to assign topics, commission artwork, set deadlines, grant extensions, answer questions, and ultimately produce multiple 16-page magazine issues
- Oversaw the printing and free distribution of over 250 copies of each issue to the school community
